Our second largest apartment floor plan, 2C, is for those who want to feel all the comforts of living in a full-size home. At 1010 square feet, you or your loved ones will be hard-pressed to find a more reasonable, spacious senior living apartment option. Not only is the 2-bedroom, 2-bathroom model a great place for one or more seniors to share, it provides more than enough space for active seniors who love to entertain guests. With the additional features of a den area and added closet space, this floor plan truly feels as functional and spacious as a house, with zero of the maintenance requirements!

Schedule an apartment tour and see for yourself how the Sunridge Village Senior Living Apartments will transform the way you, or the active seniors you care about, view senior living communities forever!
